**Medellin, July 29, 2016.** Grupo Nutresa S.A. (BVC : NUTRESA) discloses its financial results consolidated to June 30, 2016.

*"Grupo Nutresa continues with excellent dynamics in sales and a positive result in profitability. We expect this performance to continue for the remainder of the year"*, said Carlos Ignacio Gallego, Grupo Nutresa CEO.

During the first half of 2016, Grupo Nutresa's total sales amounted to COP 4,2 trillion, an increase of 17,4% over the same period last year. Without acquisitions, growth is 15,4%.

In Colombia, sales amounted to COP 2,6 trillion, accounting for 60,7% of the total, with a growth of 12,4%. Organically, growth is 9,4%, composed of an average price increase of 9,8% and a 0,2% decrease in volume. This performance is accompanied by a weighted market share of 61,2% in Colombia.

Sales abroad, expressed in Colombian pesos, are higher by 25,8% than the previous year, and amounted to COP 1,7 trillion, representing 39,3% of the total. In Dollars, this is USD 530,4 million, a growth of 0,3%.

Gross profit, amounting to COP 1,8 trillion, is affected by 80 basic points due to increases in the prices of some raw materials and the exchange rate affecting several of them. Sales expenses grew in line with operational revenue, while administrative and production expenses grew at significantly lower levels of sales and inflation, positively contributing to operating profit, which amounted to COP 438.384 billion, representing an operating margin of 10,4% on sales and an increase of 17,8% over the first half of 2015.

Net post – operating expenses for COP 127.888 billion include the cost of the debt required for the acquisition of Grupo El Corral and a higher spending due to the increase of 206 basic points in the cost of Grupo Nutresa's total debt, generated – in turn – by the rise of reference interest rates and the net negative effect of the exchange difference.

Consequently, consolidated net profit amounted to COP 231.084 billion, representing an increase of 0,3% over the first half of last year.
