- \*\* TMLUC : Tresmontes Lucchetti
- \*This information includes El Corral pro-forma sales and EBITDA for 2014
- The Retail Food business unit consolidates the result of Grupo El Corral (since 1<sup>st</sup> of march 2015) and the ice cream shops in Central America and Dominican Republic. The results of the ice cream shops were included in the Ice Cream business units in the previous reports.

## STRATEGIC REGION

### OUR TARGET STRATEGY

- Current or new categories with a promising strategic fit
- Acquisition processes respectful of existing culture and people
- We prefer control
- Excellent management teams
- Leader brands
- High value added and differentiated products
- Solid and sustainable business models – No turnarounds.
- Way to market/distribution
- Highly innovative companies
- Preference for businesses with a sound strategy towards healthy and nutritional products

### HEALTH AND NUTRITION

Support the growth of our healthy and nutritional products portfolio with acquisitions:

- "Good for you" products, dairy, veggies, supplements, natural juices and nectars, nuts, oats, soy products, dried fruits, aromatics, sugar free, fat free reduced sugar/fats/salt , cereals & grains, enriched or functional products, healthy claim products.

## Main Strategic Goal

# STRATEGY FOR OUR FIRST CENTURY 1920-2020

**“Our Centennial strategy aims to double our 2013 sales by 2020; with sustained profitability between 12% and 14% of the EBITDA margin. To achieve this, we offer our consumers foods and experiences of recognized and beloved brands, that nourish, generate wellness and pleasure, that are distinguished by the best price/value relation; widely available in our strategic region, managed by talented, innovative, committed and responsible people, who contribute to sustainable development ”**

**2 X \$5,9 = \$11,8**

**Double** **2013 sales** **COP trillion**  
**10.41% CAGR**

# Business Risk

Commercial Risk

**Aggressive**

Financial and Operating Risks

**Moderate**

Reputation Risk

**None**

PRINCIPAL RISKS	MITIGATING FACTORS
Volatility in prices of raw materials	<ul style="list-style-type: none"><li>• Hedging policies, with levels of risk clearly defined and administered by a specialized committee</li><li>• A highly trained team dedicated to monitoring and negotiating supplies and the exchange rate</li><li>• Permanent search for new opportunities and schemes for efficient, competitive global sourcing of raw materials</li></ul>
Involvement of business due to a highly competitive environment	<ul style="list-style-type: none"><li>• Significant distribution capabilities with a differentiated strategy to address different segments</li><li>• Commercial management supported by the deep, integrated understanding of the market</li><li>• Attractive proposals with a good price/value relation</li><li>• Recognized, beloved brands</li><li>• Portfolio innovation and differentiation</li><li>• Search for entry into new markets</li></ul>
Regulations in nutrition and health matters in the countries where Grupo Nutresa is present	<ul style="list-style-type: none"><li>• Vidarium: Nutrition Research Center</li><li>• Active participation with governments to discuss regulations</li><li>• Monitoring and strict compliance of the regulations of each country</li><li>• Innovation to develop new products and improve existing ones</li><li>• Support for and participation in programs that promote healthy living</li><li>• Responsible management of marketing and advertising</li></ul>

## Annexes

# Differentiating Aspects of our Business Model

## Our People

Human talent is one of our most valuable assets. Our corporate culture thrives on promoting a participatory environment in which skill development, recognition and work/life balance are top priorities toward building a leadership brand.

Excellence Level  
Organizational Climate Score

**84,4%**

## Our Brands

Our brands are leaders in the markets in which we do business. They are recognized, loved and seen as an integral part of people's everyday lives. Our brands are based on nutritious, reliable products with an excellent price/value ratio.

**17 Brands**  
With sales of more than  
**USD 50 million**

## Our Distribution Network

An extensive network supported by exclusive distribution channels, segments, and specialized attention teams, allows us to establish close client relationships by having products available at all times.

**+ 1,2 million**  
Points of Sale

## Our people

Human talent is one of our most valuable assets. Our cultural platform is supported by promoting participation environments, developing skills of being and doing, awarding the people and building a brand of leadership, as well as a balanced life for the people.

### Organizational climate

84,4

### Human – Talent Management

According to the Merco Personas 2015 Monitor, Grupo Nutresa is one of the top three companies to work for in Colombia.

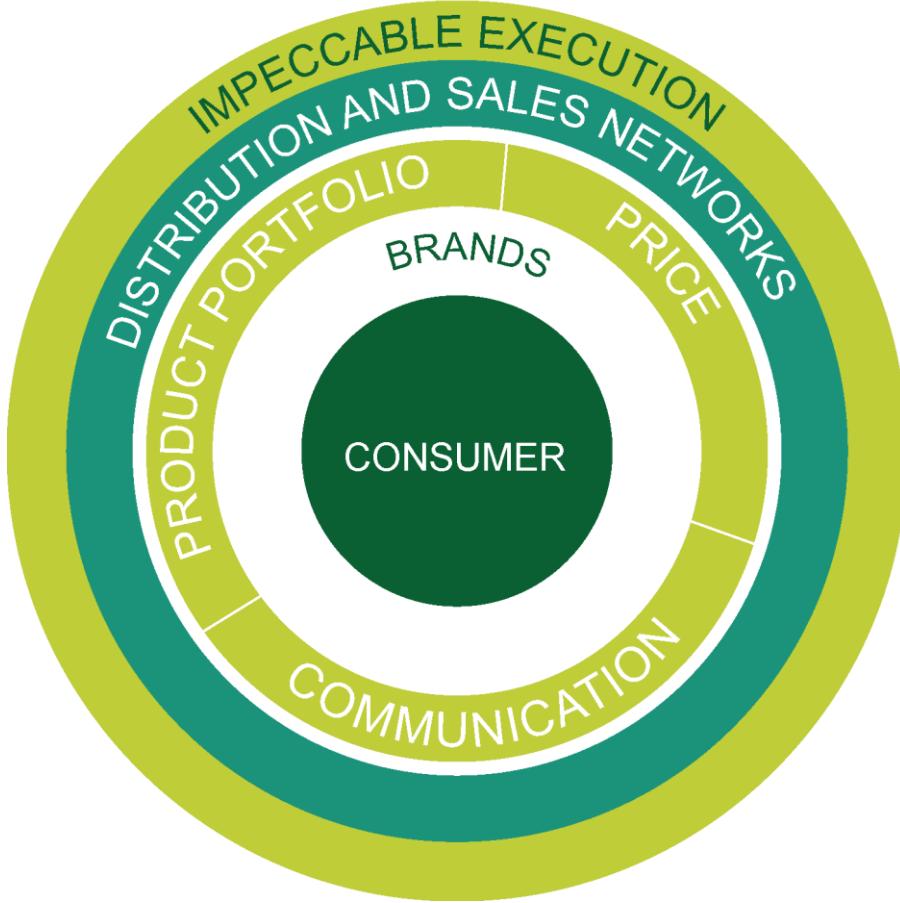

### THE FAMILY FRIENDLY COMPANY CERTIFICATION

**EUROMONEY: “the best managed company in Colombia”**
