

EXTERNAL CORPORATE CITIZENSHIP STRATEGY - GRUPO NUTRESA – 2019

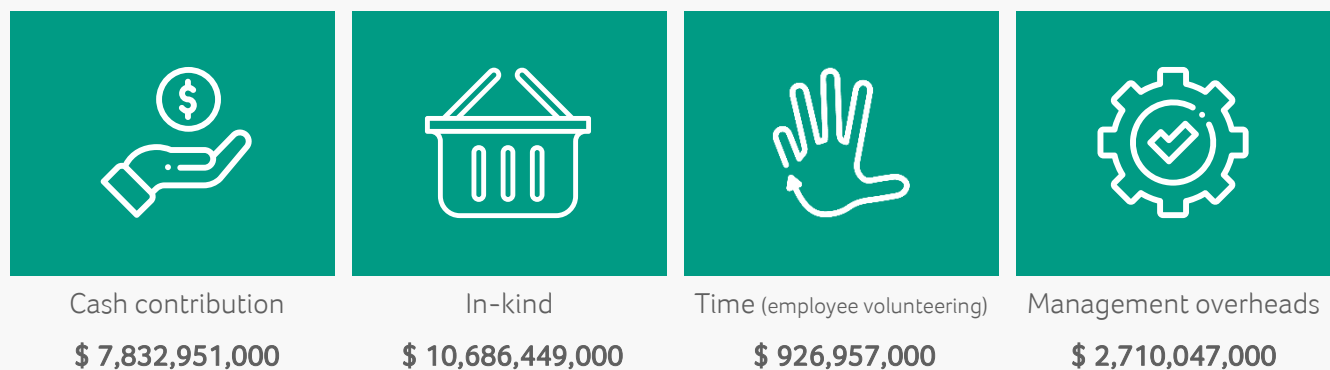

(Values expressed in Colombian Pesos)

Fundación Nutresa, lead the external corporate citizenship strategy of Grupo Nutresa and its Businesses. Our investment reaches the less favored communities through social programs oriented to the development of capacities. We promote self-management and the development of skills that generate sustainability, transformation and quality of life.

We concentrate our investment in programs related with: Nutrition and healthy life styles, food security, quality of education and responsible sourcing supported by the Nutresa volunteer network.

Investment by type of contribution

* This value exclude the investment on suppliers and clients.
