

## **SOURCE OF INCOME STATEMENT**

I hereby state that my income (in the case of a natural person) or the revenues of the company I represent (in the case of a legal entity), as applicable, do not originate from illegal activities, and that all related partners or associates, administrators, managers, workers, representatives, clients and suppliers have no negative records on local or international lists intended for the prevention of money laundering, or on lists of agents involved in terrorism financing or in the financing of the proliferation of weapons of mass destruction, drug trafficking, illegal acquisition of money or, in general, any other type of illegal activity. Furthermore, I hereby state that the revenues generated through the execution of the contract or business relationship with any of Grupo Nutresa's companies will not be allocated for any of the aforementioned activities.

In the case of the inclusion of related partners or associates, administrators, managers, workers, or representatives in the lists published by the Office of Foreign Assets Control (OFAC) of the United States Department of the Treasury, the list issued by the United Nations, or the lists published by any local, foreign or international authorities regarding people suspected of having committed any of the illegal activities stated in the previous section, the contract or business relationship will be terminated.

I hereby authorize Grupo Nutresa's companies to consult any applicable lists, information systems and databases to confirm whether any related partners or associates, administrators, managers, workers or representatives have been included therein. Moreover, as a counterpart of Grupo Nutresa, I hereby accept the obligation of performing all the activities deemed necessary to ensure that partners or associates, administrators, managers, workers or representatives and, in general, any people with whom any contract or business relationship is held, as well as the resources related thereto, are not associated with, or originate from, illegal activities.

Should the stated information be confirmed to be incorrect or inaccurate, I or the company I represent shall be held responsible, as applicable, for all the damages and/or losses emerging from the contract or business relationship held with Grupo Nutresa's companies.
